Shah Alam, Selangor, Malaysia | +60 17-285 0460 | aeris_star@hotmail.com | linkedin.com/in/nadiahmdnor009

PROFESSIONAL SUMMARY

Finance Manager with over 10 years of progressive experience in accounting, FP&A, strategic planning, budgeting, forecasting, treasury, financial reporting, and taxation across banking, retail, agriculture, and infrastructure sectors, including public-listed companies. Skilled in group consolidation, executive reporting, governance and finance transformation, with a strong track record of leading finance teams and coordinating statutory audits.

KEY ACHIEVEMENTS

- Over 10 years of progressive experience in Accounting, Finance, FP&A, and Strategic Planning across multiple industries and public-listed entities.
- Led budgeting, forecasting, and strategic financial planning across multiple industries and entities, managing budgets exceeding RM100 million.
- Lead quarterly forecasting and gap analysis of revenue, cost, and gross profit, working closely with Business Development and Finance teams to estimate revenue and close performance gaps ahead of the next quarter.
- Managed treasury operations, including cash flow planning, investments, fixed deposits, and financing arrangements, covering more than RM70 million.
- Led group consolidation and financial reporting across multiple legal entities, including Malaysia and UK entities.
- Coordinated EY statutory audits over a 4-year period and strengthened governance and internal control frameworks.
- Developed executive dashboards, KPI frameworks, and centralised reporting databases across 8 departments and 16 projects to enhance business performance visibility and decision-making.

PROFESSIONAL EXPERIENCE

Manager, Business & Strategic Planning | UEM Edgenta Berhad (role affected by restructuring) *Nov 2025 – Present*

Leads strategic planning and business performance initiatives supporting data-driven decision-making and continuous improvement.

- Lead KPI governance and business performance monitoring across 8 departments and 16 projects.
- Develop executive dashboards and centralised reporting to improve management visibility and decision-making.
- Proposed Power BI adoption to management to automate manual Excel reporting and support the rollout.
- Lead budgeting and forecasting activities, managing budgets exceeding RM100 million, and partnering with senior stakeholders on performance reviews.
- Lead quarterly forecasting and performance monitoring of revenue, cost, and gross profit (GP); partner with Business Development and Finance teams to estimate revenue and conduct gap analysis, closing performance gaps before the next quarter.
- Drive business performance improvement through strategic initiatives and data-driven insights.

Manager, Corporate | Waafi Bank Ltd. *Sep 2021 – Oct 2025*

Led corporate finance, strategic planning, and governance while partnering with executive leadership to support business growth.

- Played a key role in building Waafi Bank's digital banking operations from the ground up, establishing core finance processes, reporting, treasury, governance, audit readiness and operational controls as the business developed.
- Led budgeting, forecasting, and strategic financial planning.
- Managed treasury operations, including cash flow, investments, fixed deposits, and financing arrangements, covering more than RM70 million.
- Led group consolidation and financial reporting for multiple entities across Malaysia and the UK.
- Coordinated EY audits over a 4-year period and strengthened governance and internal control frameworks.
- Delivered business performance analysis and finance transformation initiatives, including Oracle Flexcube enhancements.
- Traveled to London for two weeks at management's request to learn about the UK Home Ownership Programme and prepare financial modelling.
- Liaised with the company's external tax agent on tax compliance and reporting matters.

Manager, Accounting & Finance | Ladangku Maju Sdn Bhd *Oct 2019 – Sep 2021*

Managed end-to-end finance operations while strengthening financial reporting and operational efficiency.

- Led finance operations covering AP, AR, GL, payroll, budgeting, forecasting, and financial reporting.
- Managed group consolidation and financial reporting for three entities.
- Led month-end, quarter-end, and year-end financial closing.

- Improved reporting efficiency through QuickBooks automation and process improvements.
- Strengthened cash flow management and delivered cost-saving initiatives.
- Led and developed a team of five finance professionals.
- Liaised with the company's external tax agent on tax compliance and reporting matters.

Account Assistant | Transview Golf Sdn Bhd *Jul 2018 – Jun 2019*

- Managed accounts receivable, reconciliations, and invoice processing.
- Assisted month-end financial closing and reporting activities.

Account Executive | Kumpulan Media Karangkraf Sdn Bhd *Apr 2016 – May 2018*

- Managed the full set of accounts and month-end financial closing.
- Supported budgeting, forecasting, and management reporting.
